To remember those who have lost their lives to addiction.

To celebrate those in recovery.

To support those still fighting.

As we all work hard to assist our community in ridding the world of addiction and the criminal-like behaviors that it often fosters; we sometimes feel like we are fighting a losing battle. Many of us, unfortunately, are faced with loss, and even more difficult is the fact that we work with families who have lost a loved one to this seemingly hopeless disease.

Carolina DWI & Carolina Drug Education has planned a Candlelight Vigil on September 17, 2015 to honor those we have lost, those who are living a life of recovery, and some who unfortunately still suffer with addiction. We would like to invite the Cleveland County community to attend this vigil.

Please join and light a candle to honor those who have been affected by the disease of addiction.

Join Kathy Allen and the voices for recovery.
